RE: McKenzie Elementary School Child Care Update

Dear Families,

We are pleased to share that the new child care studios at McKenzie Elementary are nearing completion.

KidsKlub, the selected provider, currently offers Before and After School Care for K-5 students in the region and will expand services with these new spaces. This expansion will increase access for families and introduce a new early year’s child care service for children aged 3–5. Programming details for the 2025–26 school year will be available on the KidsKlub [website](#) in late May 2025.

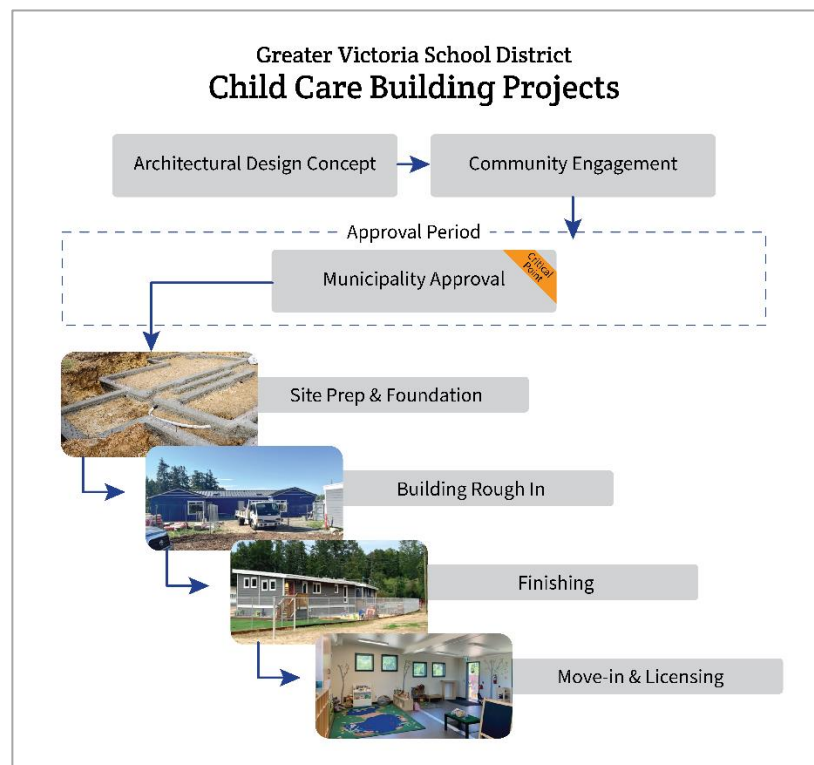

KidsKlub remains committed to prioritizing the child care needs of the McKenzie Elementary community. We will continue to keep you updated when an official opening date has been confirmed.

If you have any questions, please feel welcome to connect.

Warm regards,
